

YOU CHOOSE

When you're in the driver's seat, it's your responsibility.

Last month, 4 out of 5 Colorado teens chose not to drink and drive. And 3 out of 4 teens chose not to ride with a driver who'd been drinking.*

*Data from 2006-2007 Healthy Kids Colorado Survey: 9,166 high school students from 120 schools.

**DRIVING OR RIDING,
